THE ARTHUR DAGGER MEMORIAL FUND

2015 APPLICATIONS FOR GRANTS

The Arthur Dagger Memorial Fund was set up in memory of Arthur Dagger who died in 2008. He was one of the longest standing members of Great Western Runners, a stalwart who had been on the club's committee for many years and who worked tirelessly for more than a quarter of a century on behalf of the running community in the Bristol area. He especially had a track record in supporting young people in their running.

The Fund's Mission is to support young people in the Avon area to develop their talents and improve their competitive running.

- We want to build on young people's participation and enjoyment of running.
- We want to ensure young people receive the best teaching, coaching and resources possible and have the chance to progress if they show talent.
- We want to help young people to live healthy and active lives and to be the best they can be in their chosen event.
- We want to support young people whose financial disadvantages may restrict their potential to fulfill their talents.

Small grants are available for up to a maximum of £250

Applications will be considered based on the criteria listed below:

- Aged between 13 & 23
- Must live in the Avon area (based in Bristol, South Glos, N Somerset or BANES)
- Should be from the young person themselves
- Still in fulltime, or further / higher, education or training
- Must be supported by teacher, running club or coach
- If 17 or under, parental support for application is essential

Please complete the application form and return by 28th February 2015 to:
